

PRODUCT SPECIFICATIONS

BEAM INTENSITY: 5mW peak, 620-670 nm, Class 3R laser
DOT SIZE: Approximately 0.5 inches diameter at 50 feet
BATTERY: One 1/3N 3V lithium battery; over four hours of illumination
ACTIVATION: Front-located integrated momentary pressure pad and master ON/OFF switch
WARRANTY: Three-year full warranty
 This product complies with 21 CFR 1040.10

INSTALLATION INSTRUCTIONS

1. Make sure firearm is unloaded. Open cylinder and double check that cylinder is empty. (See "Four Basic Rules Of Firearm Safety" in Laser Sight Owner's Handbook.)
2. Remove stock grips.
3. Align right grip panel with the frame of the firearm.
4. Install battery through firearm frame with the positive (+) side facing out.
5. Align left grip panel with frame of gun and install using provided grip screw.
6. Attach "Aperture" warning label with the arrow pointing to the laser aperture. Attach laser "Danger" sticker to outside of firearm.
7. To activate Master Series™, slide the master ON/OFF switch forward to the ON position. The switch is located on the bottom right side of the Lasergrips.
8. Confirm that laser and iron sights are in alignment. Laser dot should rest on top of front site post with correct iron sight picture. Lasergrips are sighted-in at the factory to 50 feet, but can be fine-tuned to any point of impact by adjusting for windage and elevation. (See Laser Sight Owner's Handbook for complete sighting information.)

REMOVAL INSTRUCTIONS

If Lasergrips are difficult to remove, use the provided allen wrench and removal notch to separate Lasergrips from frame. See image.

LASER SAFETY LABELING

IMPORTANT: LASER PRODUCTS MUST ONLY BE OPERATED WITH THE SAFETY LABEL APPLIED TO THE FIREARM.

Labels could not be affixed to the product but are supplied and must be installed as indicated below:

- A. Attach the "Aperture" warning label with the arrow pointing to the laser aperture.
- B. Attach the "Danger" warning label to the outside of the firearm.

Use caution when activating the laser to avoid direct eye exposure, which can result in permanent eye damage. Follow all precautions as outlined by the firearms manufacturer. Keep this and all firearm related products locked and secured from children or other unauthorized users.
